

Data protection information

Ludwig Schneider GmbH & Co. KG is happy to welcome you at our website and your interest in products and the company. We take care and protect all data we got and get while you visiting our web-site to make sure that you are safe.

Collecting and processing of personal data

Almost all of our Internet service can be used without the specification of personal data. In cases where the specification of personal data on our website is necessary for the purposes of an inquiry, we leave it up to you to decide what personal information you would like to provide. We record and use your personal data, such as name, address, e-mail address, telephone and fax number, exclusively for the purpose for which you have provided the data (e.g. for the processing of information inquiries, orders for brochures, samples or the dispatch of information). We handle your data confidentially and in accordance with the applicable data protection regulations, and do not pass it on to third parties.

Right to be informed and Public procedure directory

In case you want to know if and what personal data from you we stored, we will send you all data we stored from you on request. In our Public procedure directory we published information about Law (§4e BDSG, Germany).

Data safety

Ludwig Schneider GmbH & Co. KG will take care to safe all data. Technically and organization is done in a way to protect data to be destroyed, excess from not legalized persons. We will do all to stay with the level of technology to be sure that this status will be hold.

For any request you have you may contact our Data processing officer.
